TO: Manufacturers' Representatives, District Sales Managers, Regional Managers, Technical & Customer Service Personnel, Service Agents, Sales & Marketing Personnel

SUBJECT: Relief Valve Shipped Loose- All Knight, Knight XL, Armor, and Wall Mount Units

Beginning October 2008 we will be shipping the relief valves loose on all of the units listed below:

Knight 80-285
Knight XL 399-800
Armor 150-500
Wall Mount 50-210

The relief valve will be located in the box with other ship loose items which is located in the rear of the carton behind the unit. Instructions for the installation of the relief valve is found in the unit's I&O Manual. If you have any questions please call Technical Support at 1-800-722-2101.
